

Associate Veterinarian

Alpine Animal Hospital, Pocatello, Idaho

<http://www.alpineanimal.net>

What do you want in your career as a veterinarian? Do you want to focus on **wellness and general medicine**? Do you want to provide **urgent care without the late-night calls**? Do you want to focus on **dental health** and spend your days in a dental suite with a high functioning team? **Our hospital is growing and we'd love to work with you to create your ideal position.** Upon hiring, we'll sit down with you to explore your professional aspirations and, if appropriate, develop a plan with you to ensure you're doing what brings you joy in practice.

Our team at Alpine Animal Hospital (<http://www.alpineanimal.net>) in Pocatello, Idaho believes that a career in veterinary medicine should be a collaborative, fulfilling, exciting journey complemented with the ongoing opportunity for growth and development. If our philosophy resonates with your vision for your career, we invite you to apply for a full-time Associate Veterinarian position to join our current 6 DVM team.

Ideal Candidate:

General Practice Small Animal Associate Vet

We are seeking an associate veterinarian to join our team full time to focus primarily on providing care to our small animal clients and to help us **develop our wellness and preventive care services**. Candidates with **strong client education and communication skills** are strongly encouraged to apply, as are **new grads**.

Urgent Care Associate Vet

Do you love the adrenaline rush of providing care in urgent situations? The closest ER clinic is 50 miles from our hospital and our team is looking for an associate vet **to serve our patients who need to be seen same-day**. An associate would focus on serving drop-offs and urgent care appointments.

Dentistry-Focused Associate Vet

Do you love dentistry? Join our team and build the dental program of your dreams. We are looking for an associate vet to provide preventive dental services, cleanings, polish, extractions, and radiography and to grow our dental program beyond preventive care.

Compensation and Benefits:

We offer a competitive pro-sal compensation (\$100,000+/yr) and a benefits package, including:

- a robust mentorship program
- health, dental, and vision insurance

- paid PTO
- simple IRA 3% matching
- \$2,000 continuing education stipend and 5 days off to pursue CE
- relocation assistance
- potential for future buy-in

Who we are:

Our enthusiastic, dedicated doctor team is supported by well-trained and professional support staff, currently with a 1:5 surgery and 1:6 appointment DVM to Support Staff ratio. Alpine Animal Hospital has small and large animal facilities, and provides care to pocket pets and exotics. Our team is equipped with state-of-the-art tools and diagnostics in order to provide the highest level of care. We offer STEM-cell, PRP, and cold laser therapy, acupuncture, and advanced orthopedic surgeries including TPLOs.

Everyday our team strives to make our mission a reality: *To honor the bond between our valued clients and their animals – whether that animal is a member of the family, working companion or your livelihood. Our compassionate and knowledgeable health care team achieves this through partnering with you to deliver cutting edge medicine and surgery. Together, we strive to create a happy, healthy and productive life for your pet and to enhance your relationship with them.*

Community:

We understand that life outside of practice is equally as important to the job itself. In your free time, you'll find ample outdoor opportunities. With Pebble Creek Ski Area southeast of town, the beautiful Snake River and American Falls Reservoir to the west and unlimited hiking, mountain biking, and horseback riding trails right in your backyard, you are never more than 30 minutes from your next adventure. Pocatello and Chubbuck also boast of great schools and a tight knit community that will make you and your family feel right at home.
