

## Part-time or Full-Time Associate Vet

Prospect Ridge Veterinary Hospital, West Orange, NJ

<https://www.prospectridgevet.com/>

Prospect Ridge Veterinary Hospital is seeking a **part-time or full-time associate veterinarian** to join their one doctor team. Serving the community of West Orange, NJ since 1992, Prospect Ridge Veterinary Hospital is a full-service companion animal facility. We have a loyal client base and our looking for a DVM to join our team **who values the client-doctor relationship and an outstanding reputation.**

### Who we are:

We focus on quality of medicine in a warm, friendly, professional atmosphere and have well trained, eager support staff and a spotless new facility to support professional growth. Prospect Ridge Veterinary Hospital has a fast-paced environment that provides wellness and sick care, surgery, dentistry with dental radiography, ultrasound, therapy laser, boarding, and grooming. Our clientele affords us the opportunity to practice **a high level of medicine in a friendly-laid back atmosphere.** Our team works hard, we support each other, and we also have a lot of fun.

### Our Community:

**City life and the outdoors.** Our location in West Orange, NJ is only 18 miles outside of New York City and offers the natural beauty of several state parks, state forests, and the Pocono Mountains. **It's a great place to establish a career or spend the final years of a career.**

### Ideal Candidate:

With Prospect Ridge Veterinary Hospital's focus on a high level of care, some experience is preferred, but enthusiastic **new graduates** are encouraged to apply. We **would also welcome a veterinarian entering the last stage of his/her career.** The ideal applicant would have confidence, be comfortable with their skills, and be able to build relationships with clients.

### Compensation and Benefits:

- ProSal: Base salary \$90,000+ plus 20% production (for full-time position)
- \$10,000 sign-on bonus
- Mentorship
- \$2,000 annual CE allowance and paid time off
- 2 weeks+ annual vacation
- health insurance
- retirement program
- discounted pet care
- uniform allowance
- insurance, dues, and licenses
- One certification or advanced hands-on training within 2 years of employment is included
- Potential for future practice ownership
