About West End Veterinary Clinic:

To provide **high-quality, honest, and compassionate veterinary care at an affordable price**, that's our mission. Does it resonate with yours?

Opened in 2019, this **immaculate facility** serving the community of Henrico, VA has experienced rapid growth and is looking to expand their one doctor team. At West End Veterinary Clinic, we focus on providing quality medicine for patients in a relaxed atmosphere. The clinic is well-equipped with **paperless patient records, digital radiology, dental radiology, ultrasound, Idexx in-house laboratory, and a therapy laser**. Our doctor enjoys **ultrasonography, surgery, nutrition, and senior care** in addition to providing general medicine and preventive care. We have **high compliance** and a quickly growing client base. **Access to care** is also important to us, and **we work with a non-profit to help make care affordable** for our clients who need financial assistance.

Our Community:

Henrico, VA is located **minutes from Virginia's vibrant capitol city of Richmond**. Known for an active arts and cultural scene and home to many microbreweries and excellent restaurants, this area has a little something for everyone. Henrico, VA also boasts some of the best rated schools in the area. Outdoor activities abound and include hiking, biking, horseback riding and even white water rafting on the James River. If your interest lies in watching sports, there is plenty to offer with Richmond International Speedway, Richmond Flying Squirrels Baseball, and the Richmond Kickers Soccer. With just a few hours' drive, you could be in Washington D.C., at the beach, or in the mountains!

The Ideal Candidate:

We are seeking a new graduate or experienced veterinarian to join our team who is **interested in growing with our practice**. A candidate interested in helping us **expand our rehab services** would be a bonus. The ideal candidate would be self-motivated, confident in their skills, and able to communicate effectively. **Mentorship** is available for new graduates. Veterinarians with a **desire to further their skills or education are welcomed**.

Compensation and Benefits:

- Independently-owned hospital
- Competitive prosal with a \$100,000 base salary paid on 20% production
- Retirement plan with 3% matching
- 50% of health insurance premium, license renewal fees, AVMA dues
- 2 weeks PTO
- Flexible schedule
- No on-call or after hours appointments
- Continuing education- 3 days of PTO for continuing education and enrollment in the Richmond Academy of Veterinary Medicine
- Mentorship
