Where does client education fit into veterinary medicine?

How important are relationships between veterinarians and their clients?

If you believe these factors help form the foundation of a successful veterinary practice, join us at Chiefland Animal Hospital. We are seeking a **full-time Medical Director/Associate Veterinarian to lead us in establishing a culture of client education, fostering a higher level of preventive care and standard of care, and enriching relationships with our clients.**

Who We Are:

Chiefland Animal Hospital has been serving the community since 1999. We are a diverse and dedicated team with an average of 10 years of service at Chiefland. **Team and client relationships are the foundation of our culture.** We value honesty and respect, and treat our clients and their pets like family. **Our team strives to meet the veterinary care needs of everyone in our community.**

Our Community:

Chiefland, **The “Gem of Suwanee County”**, is in northern Florida, about 1 hour from Gainesville. Chiefland is home to Manatee Springs State Park. Spend your free time at this state park canoeing, kayaking, hiking, horseback riding, fishing, mountain biking, surfing, tubing, wildlife viewing, snorkeling and so much more. Chiefland is also home to Lower Suwannee National Wildlife Refuge which includes foot trails, paddling trails, wildlife dives and archaeological sites along 20 miles of the Suwannee River and 30 miles of Gulf Coastline. Cost of living in Chiefland is lower than the US average making this a great place to take the next step in your career.

Ideal Candidate:

Are you ready for the next step in your career? Candidates interested in helping to **establish and build a medical program** are encouraged to apply. The ideal applicant should have a desire to **lead by example** and **set and pursue a vision** for Chiefland. Candidates should have strong emotional intelligence and be able to build genuine relationships with clients. We are also searching for someone **energetic and motivated** who can carry on our legacy and continued growth at our high-volume practice.

New graduates are welcome. Chiefland offers a **customizable mentorship program** to help new graduates begin their veterinary career. We also offer **medical coaching provided by Blue Heron Consulting** to all of our doctors.
