Imagine a career with Lytle Veterinary Clinic

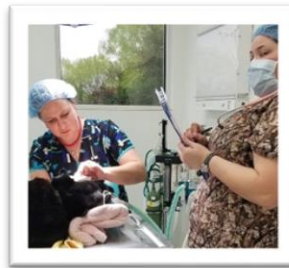

Work-Life Harmony: 8AM-5PM work day, last appointments at 4:20PM, half day on Wednesdays, no weekend, on-call or emergency hours, dedicated lunch hour; private bathroom

Quality of Life: Suburbs of adventure, culture, and history-filled San Antonio. Cost of living is below the national average and it's a wonderful place to establish roots.

Tools and Resources: Modern and well-equipped facility, customizable mentorship program provided by Dr. Trisha Broach and Blue Heron Consulting, annual continuing education stipend and PTO

Growth: Upon hiring, we'll sit down with you to explore your professional aspirations and, if appropriate, develop a plan with you to ensure you're doing what brings you joy in practice. Help us become the primary care provider for clients living in and on the outskirts of San Antonio. Collaborate with the team to determine if any specialties or advanced care methods should be introduced to the practice.

Is this what you're looking for? We're seeking a **Small Animal Associate Veterinarian** to join our progressive practice. Learn more and apply today by contacting Neda Panuska at npanuska@bhcteam.com, 757-897-5988.

Who We Are:

We are a small animal clinic, just south of San Antonio, Texas. Established in the 1970's, Lytle Veterinary Clinic has been serving San Antonio and the rural communities around it for over 50 years. The mission of our clinic is to help our patients live longer and healthier lives through preventative medicine and client education. We believe that if our clients are knowledgeable about medical care for their pets, it will benefit the whole family. Using patience, compassion, and communication, we treat our teammates, patients, and clients with the respect they deserve.

Our Clinic:

- Modern building – built-in 2005. Three exam rooms, treatment area, lab/pharmacy room, surgery suite, isolation room, large dog boarding with separate cat boarding.

- In-house laboratory with Heska. In-house urinalysis and sediment, fecal flotation, PCV, TP, FeLV/FIV, Heartworm 4dx. External testing through TVMDL, and other labs as needed.
- Sevoflurane and Isoflurane anesthesia, electro-surgery, orthopedic surgery supplies. Also work closely with surgeons for in-house advanced procedures (TPLO, fracture repair, splenectomy with Ligasure, nephrectomy, etc.)
- New dentistry unit, full mouth digital dental x-rays
- Digital x-ray
- Excellent surgical monitoring – pulse oximetry, capnography, ECG, BP, temp.
- Large pharmacy
- AVImark software to manage a large database of animals.

Competitive benefits package offered including:

- Base salary \$100,000+
- Production-based bonuses
- \$15,000 sign-on bonus
- \$2,000 annual continuing education stipend and PTO
- Relocation assistance
- Health, dental, and vision insurance
- 2 weeks of paid vacation and 12 flex days first year, 4 weeks of PTO and 12 flex days after first year
- 401k retirement plan
- Mentorship program customized to your preferences
- Medical coaching via Blue Heron Consulting
- Individualized coaching via Blue Heron Consulting
- Opportunity to participate in anticipated future company stock option plan and shared-equity models
- State license/DEA reimbursement

A great place to live:

San Antonio is just a short drive from Lytle and is full of fun and Texas history. Visit the Alamo, Mission trails, and some of our many museums to learn all about Texas and San Antonio. On the beautiful Riverwalk, you can enjoy shopping, dining, theaters, social clubs, and museums. Sea World, Fiesta Texas, the Zoo, and Caverns are here too!

Texas is also known for its beautiful Hill Country where you can go for water recreation, hiking, camping, hunting, and scenery. The wildflower-covered hills in the spring are majestic! Just outside of San Antonio are some of the oldest towns in Texas- Gruene, Fredericksburg, and Luckenbach- you can shop, eat, visit wineries and even enjoy some live music. Like the beach? We are a short 3-hour drive from the beaches of the Texas Gulf Coast. San Antonio also hosts the Southwest Veterinary Symposium every other year!

Apply:

Click the “Apply Now” button on our website or send your resume to Neda Panuska at npanuska@bhcteam.com. To allow our team to continue to focus their time and attention on our patients and clients, please do not contact the hospital directly.
