

Lebanon Animal Hospital

1613 West Main Street

Lebanon, Tennessee 37087

www.lebanonanimalhospital.com

We show love and compassion by educating pet parents and providing exceptional veterinary care in a fear free environment.

At Lebanon Animal Hospital we believe in being thorough in our medical care and showing compassion. **Our patients and our coworkers are respected and valued.**

Lebanon Animal Hospital was founded in 1971 with the goal to practice the highest quality surgery and medicine in Wilson County. Today, Lebanon is continuing that legacy. We are an **AAHA-accredited, fear-free certified** hospital, as well as **members of VMG**. Our multi-doctor team provides comprehensive wellness and dental care, radiology, ultrasound, dermatology, internal medicine, behavioral medicine, and exotic care for bunnies and turtles. We are **looking for a small animal Associate Veterinarian** to join our team! Candidates with an **interest in orthopedics** and/or **partnership** are encouraged to apply.

COMMUNITY:

You can enjoy small town living with the perks of city life right around the corner. Lebanon is located just **1 hour outside of Nashville, Tennessee**. Nashville has a vibrant restaurant, music, and culture scene providing unlimited options for activities, exploring, relaxing, socializing, and learning. From the Grand Ole Opry to Music Row to tours of recording booths, radio towers and other locations where award winning records, there is a lot to see and do in Nashville.

Outdoor activities are also at your fingertips. Home to Cedars of Lebanon State Park. The 1,139-acre park has 117 campsites, and 8 miles of hiking trails. Provide **lots of opportunities to enjoy nature.**

COMPENSATION AND BENEFITS:

- Base Salary, Production OR Competitive prosal. Choose what's right for you!
- \$5,000 Sign on bonus
- 4 weeks of PTO
- Flexible schedule
- 401K
- Ownership/Partnership opportunity
- Medical insurance and dental insurance
- Long-term disability insurance
