Arrive ready to relax, and we'll handle the rest. From start to finish, every detail is covered so you can focus on learning, networking, and adventure.

Who Should Attend

This trip is for outdoor enthusiasts! If you are looking for a true wilderness experience with the ability to completely disconnect, this adventure is for you!

Join the waitlist today by visiting www.bhcteam.com/events

"The BHC pack trip is a MUST for veterinarians and their staff looking to progress both personally and professionally. There are few opportunities that allow four days to connect with colleagues, nature, and yourself. Being removed from daily distractions allows for genuine conversation, reflection, and planning."

— Al Claiborne, DVM

WILDERNESS CE
