

PRACTICE MANAGER FOUNDATIONS

101 & 102 | 24-WEEK COURSE

Brought to you in partnership by Blue Heron Consulting & Veterinary Hospitals Association (VHA)

This immersive course covers the foundations every practice manager needs to help their hospitals thrive. Whether you're a seasoned leader or new to your role, each class offers tools, resources, and insight that can take any practice from good to great.

Beginning September 3, 2026

Thursdays | 1:30 - 2:30 PM ET | \$1,800

Each week offers expert virtual instruction, discussion, and application through a deep dive into three core management tracks:

LEADERSHIP

Discover how to lead, leverage, and empower your hospital's team like never before.

FINANCES

Track, manage, and analyze your hospital's revenue and expenses like a pro.

OPERATIONS

Optimize your hospital's workflow and transform your client experience.

Plus, attendees benefit from a complimentary Gallup CliftonStrengths Assessment.

This course is RACE Approved for 20 credits.

Practice Manager Foundations Course

2026 Course Syllabus

Course Overview

This 24-week program equips veterinary practice managers with core competencies across three major themes: Leadership, Finances, and Operations. Through a blend of leadership development, financial literacy, and process optimization, participants will acquire tools to elevate practice performance and support team success.

Week 1: Kickoff & Orientation

- Course goals, schedule, expectations
- Introduction to core themes: Leadership, Finances, Operations
- Overview of final project and goal setting
- *Suggested Reading: Oops I Became a Manager – Amy Newfield*

Week 2: The Leadership-Management Dilemma: Clarity and Application

- Define leadership vs. management
- Explore leadership development
- Understand situational use of leadership and management
- *Suggested Reading: Leadership and Self-Deception – The Arbinger Institute*

Week 3: Leading with Impact: Leveraging Your Clifton Strengths

- Interpret Clifton Strengths assessment
- Identify individual leadership strengths
- Develop strengths-based leadership strategies
- *Suggested Reading: Strengths Based Leadership – Don Clifton*

Week 4: Crafting Purpose: Mission, Vision, and Values

- Define and differentiate mission, vision, and values
- Connect team and client purpose (mission)
- Facilitate team collaboration to define values
- Apply values in daily practice operations
- *Suggested Reading: Start With Why – Simon Sinek*

Week 5: Change Leadership Essentials: Empowering the Veterinary Team

- Lead and manage change effectively
 - Use feedback loops to support transitions
 - Balance delegation with direction
 - Build team engagement through change
 - *Suggested Reading: Leaders Eat Last – Simon Sinek*
-

Practice Manager Foundations Course

2026 Course Syllabus

Week 6: The Power of Clear Communication

- Define clear communication in a leadership context
- Explore how communication impacts morale and performance
- Practice techniques for clear verbal and non-verbal messaging
- Adapt communication to diverse team members
- *Suggested Reading: Radical Candor – Kim Scott*

Week 7: Leading with Empathy: Enhancing Communication Through Understanding

- Understand the role of empathy in leadership
- Develop techniques for meaningful responses
- Adjust communication styles to meet individual needs
- Use empathy to boost morale and connection
- *Suggested Reading: Change Your Questions, Change Your Life – Marilee Adams*

Week 8: Empowerment & Accountability

- Understand how empowerment and accountability work together
- Learn how to set clear expectations and measure performance
- Identify how and when to intervene when course correction is needed
- *Suggested Reading: Crucial Conversations – Patterson et al.*

Week 9: Human Resources: People, Policies & Performance

- Explore best practices for recruiting, hiring, and onboarding
- Discuss workplace compliance with various organizations (DEA, OSHA, etc.)
- Learn to identify performance issues vs conduct issues, and how to manage both.

Week 10: Financial Fundamentals: How the Money Works

- Begin exploring the foundational structure of a Profit & Loss statement
- Understand how revenue and expenses interact
- Identify how these metrics impact overall financial performance

Week 11: Optimizing Operations:

- Assess how processes affect team and client outcomes
- Identify gaps in current workflows
- Create a plan for operational improvement

Week 12: Open Forum Discussion

- Discuss high priority topics picked by attendees
 - Attendees will identify topic for final project
-
